

TERMINAL DISCLAIMER

To the Commissioner of Patents and Trademarks:

Petitioner(s), Hanbai Liu, residing at 17056 Colima Road, Suite 226,, Hacienda Heights, CA 91745 in the country of U.S.A. and State of California, represent the entire interest of application, Application No. 10/798,729, filed March 10, 2004, for Visual Programming Method and System Thereof. Petitioner(s) hereby disclaim the terminal part of any patent granted on the above identified application, which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second U.S. Application No. 10/633,341, filed on August 04, 2003. Petitioner(s) hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term, as presently shortened by any terminal disclaimer of second Application No. 10/633,341 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, if found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
